Important Policies and Procedures for COMM 2990 - Directed Research Experience

- This form is for undergraduate students only. Graduate students should enroll through the graduate school.
- This form can only be used for individual directed research experience supervised AND graded by a faculty member in the Department of Communication.
- If you are not a COMM major, it is your responsibility to contact your college registrar to learn how these credits will be applied to your graduation requirements.
- This form should be submitted to Andrea Poag, 336 Kennedy Hall - DO NOT submit this form to the CALS Registrar's Office.
- Credits earned through COMM 2990 will NOT be used to fulfill COMM major requirements.
- A maximum of 15 credit from undergraduate research courses can be applied toward your degree in CALS.
- A max of 3 credits per directed research experience can be earned.
- Credits received for directed research will NOT be used to fulfill CALS distribution requirements.

Questions regarding COMM 2990 or this form should be directed to
Andrea Poag, Undergraduate Program Coordinator -334A Kennedy Hall - alp232@cornell.edu
