## Semester by Semester Degree Planning

**Sample Freshman - Senior (no AP)**

**Name:** ______________________  **Net ID:** ___________  **Date:** ________

* Advising information below is provided as an estimate based on student scheduling, classes and times offered, and student performance in previous classes.
* Students should meet with an advisor prior to registration for each semester to discuss options for that semester and not rely solely on information below.

### Fall
- **COMM 1101**
- Intro. to Life Sciences/Biology
- Social Science/Humanities
- FWS (Written Expression)
- PE
- 13 credits

### Spring
- **COMM 1300**
- Statistics (Quantitative Literacy)
- Social Science/Humanities
- Elective
- 15 credits

### Winter/Summer

* If a student does not plan to study abroad, the electives from that semester will be mixed into other semesters.

* This plan is based on a student entering Cornell with no AP credits and with no plans to take Summer/Winter courses.
