Transfer Credits:	Transfer Credits:		No two students will work through the major in the same way. This worksheet is only meant to be used as a visual to allow you to see a plan for completing the Communication coursework. * Courses should be completed in the area listed in order to progress through the degree in the best possible manner. In most cases, students already have credit for COMM 2010. You are responsible to take 4 classes in an outside discipline (e.g. Sociology) to fulfill the Outside Concentration requirement for the Communication major.
